

## **Mr. C Miami - Coconut Grove**

Drawing inspiration from Italy's iconic coastal style, Mr. C Miami - Coconut Grove offers breathtaking views of Biscayne Bay and the Coconut Grove skyline. The hotel is designed to be supported on sculptural stilts in the tree canopy of Coconut Grove and embraces the idea of the historic Stiltsville structures in Biscayne Bay that can be seen at a distance from the rooms and public spaces of the hotel. The 5-Star, 62,000 SF boutique lifestyle hotel boasts 100 rooms with private terraces including eight Premier Suites and one Presidential Suite.

The hotel is a 6-story building with hotel lobby and parking on the ground level; four levels of guestrooms and the fitness center; and an active rooftop with swimming pool, restaurant and multipurpose event space overlooking downtown Coconut Grove.
